

# ReddiFund working with Employers to protect Workers Redundancy Entitlements.

**Employers** are you aware of your legal obligations under **Clause 17** of the “**Building and Construction General On-site Award 2010**”?

*ReddiFund* is a WA-based redundancy fund open to all employers within the general building and construction industry.

*ReddiFund* can assist all Employers to meet their legal obligations under the Award plus the following benefits:

- Contributions are **tax deductible** in the year you make them.
- You avoid accruing significant liabilities.
- **NO administration fees** are charged to employers or employees.
- Provides **time & cost savings** for Employers.
- Employees see their Employers investing in their financial security.

*ReddiFund* Members also enjoy great benefits through our **Mutual Benefit Fund** which provides indemnity coverage on Journey, Ambulance, Funeral/Death, Childcare & Travel cover for employees.

We are proud to be the major sponsor of **MATES in Construction** which provides invaluable support to all workers & families in the construction industry.
